Subject: USMLE 1

Hi Robert,

I hope all is going well!

I just wanted to check in and see what your plans were for Step one.

Your deadline to take the exam is 9/12/21 – do you have a date scheduled?

Let me know when you have a few minutes to chat – we have to plan your schedule out so we can get all the requirements for graduation in by August of 2022.

Best,
DC
